ROCHESTER FREEDOM SINGERS

VISION STATEMENT

The Rochester Freedom Singers rise to take a leadership role in promoting tolerance, equality, freedom and love in our towns, in our country and in our lives.

We sing with the hope that our music will contribute to a greater understanding and acceptance of the diversity that is the beauty of the world community. Our music spans the ages, languages, religious and affectional preferences and heritage of humanity.

We value inclusion and encourage people to live their lives completely, openly and honestly.
